

## Fall River Gun Club Meeting

September 26, 2017

Meeting called to order at 7:10pm by President Harley with the Pledge of Allegiance.

Minutes of last meeting read by Secretary Douthit.  
Financial Report give by Treasurer Sperlich.

### Old Business:

Firing line for the 300 and 800 yard berms put in place by Mark Sperlich

Gravel has been delivered to the range by Dale Johnson  
No update from the State regarding the 25 yard shooting.

Targets and holders have been place by the State at both the 300 and 800 yard berms.

1 boot scrubber was purchased. Others metal one being looked into. Possibly from high school welding class.

### New Business:

Intentional damage on posts on the pistol range.  
Someone has used a rifle to deliberately shoot holes in the metal holding the overshoots.

Gravel placement- between the shed/office and the shelter, around the shelter and parking areas that are in need.

The purchase of landscaping stones was discussed to help with drainage near the sidewalk.

We are continuing to receive positive comments about the range and it's members.

Annual Banquet will be the 24th of February.

Venues will be in hands of President Harley

Raffle guns and tickets will be once again handled by Owen Meadows.

Jake and Randy will be contacted to once again handle the 50/50 ticket sales.

Door prizes will be handled by Secretary Douthit.

Terry Cates mentioned a rod be used to secure the tape for targets at the range, to encourage the tape stay in the shed.

New shooting rests are on a few of the benches at the range and more are being made. Give them a try they work well.

Respectfully submitted by Secretary Jack Douthit
