### OLD BUSINESS

Board member Gary Owens asked about the status of the gate. Dan Harley replied that it still does not operate properly and has to be opened and closed manually. He is continuing to work with the company to resolve the problem.

### NEW BUSINESS

Gary announced that in lieu of the annual banquet, which was cancelled this year due to the increase in Covid cases in our community this past winter, the Club will hold a member appreciation day on June 5 at the range. Gary said this will be an excellent day to invite guests who may be interested in joining the Club. He plans to set up all the different types of targets that we have.

A club member asked if any interest has been expressed in a shooting club for the youth. Gary responded that people have shown the most interest in the following types of events: youth, ladies, and home defense.

Gary presented a receipt for food (cookie tray) that was purchased for this meeting. The Board approved the reimbursement, and a check was issued by the Treasurer.

### **ELECTION OF OFFICERS**

Terry announced that he is respectfully stepping down from his role as President. He thanked Board members for their work and Tom Weller for the countless hours he has spent helping with our website issues.

Three open positions were announced for the 2022-23 Board, and the interested members were: Ron Richards, Gary Owens, Tom Weller, and Dianna Hampton. Each candidate shared briefly about themselves and their interest in the position and the Club. The election was held, with Gary, Tom, and Dianna elected as our new Board members.
