Come join us for the inaugural Precision Rifle Series Mini Match. PRS shooting was born from hunting, tactical and law enforcement scenarios.

This will be a 4 stage match shooting at distances from 300 - 800 yards. You will be shooting from the prone position and off various barricades. We want to provide a fun match in a non-intimidating safe venue. Our goals are to familiarize shooters with the PRS format, and practical shooting, while having fun.

The only requirements are:

A rifle, scope and ammo capable of shooting 1 MOA. The scope must have a method to apply elevation correction from 300 - 800 yds. Ear protection.

Match will be held at the Fall River Gun Club. Hot Springs, SD. Entry fee is \$20.00

This first match will be limited to 16 shooters. So, sign up early.
