Business Notes:

- Dan brought up taking 2K from Money Market and transferred it into our Checking account to bring the total up to 5K. It was agreed by the club to do the transfer.
- Gary brought up getting a budget plan started. Dan said we would have to have a board meeting to address that .
- Gate update: Dan has a guy coming down from Black Hills Overhead Door Company on the 6th of July.
- Gary brought up some of the upcoming events at the range. One was the Dept. of Criminal Investigation will be using our Pistol Range to qualify. Two was that all the Rifle Ranges would be closed on the 6th to upgrade the long range targets.
- Talked about the M.A.D. event, and how things went. Overall it was a success.
- Talked about hiring someone to do the Mowing and weed whipping.
- Brought up purchasing a Weed Spraying for our UTV, and made a motion to approve the purchase. "Approved"

- Discussed buying gravell and some drainage tile for the Shotgun Patterning area.
- There was a motion to purchase 3 solar lights for the club buildings. "Approved"
- Motion to approve two Heavy Duty 10 x 10 pop ups. "Approved"
- Discussed putting a permanent steel target on the 200 yard line. Approved by Tyrel, and the club.
- Talked about checking with Tyrel or F.G.& P. for the use of their power washer to help us with stripping some paint to prep for new paint.
- We talked about having official instructors to put on classes and use our facilities.
- Mark brought up installing two bullet proof panels on the pistol range.
- It was also suggested that we should have brass deflectors between each lane. Something like a clear plastic panel so a shooter could see what's going on beside them.
- Mark made a motion to Adjourn, and Larisa second it. Meeting ended around 8:00 pm.
